What to Post

Links, Banners & Offers

Under the **Content > Assets section of Impact**, you will find banners and other marketing collateral to use.

Try the following to begin:

- Adding a 728x90 banner or 300x250 banner mid-article can help bolster your click-through-rates and increase your chance of converting.
- Check your most searched-for posts – is there any opportunity to insert your unique link on any of those keywords? Do you have posts that contain coworking, virtual office, innovative business solution, or similar keywords? If the answer is yes, replace those keywords with your unique referral link.
- **Always include an offer from Alliance Virtual Offices,** if available.

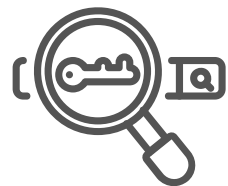

How to Be Successful

Affiliate Partner Program

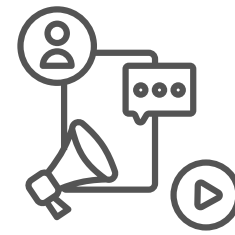

ALWAYS use your affiliate links from Impact;

add them throughout your content and to any link that you refer to the Alliance Virtual Offices site. These links will make sure you are credited for the leads you refer.

List your keywords correctly

on your website platform to improve your SEO results.

Be personal and post regularly.

It often takes repeated mentions over time for your audience to take action. The more you mention Alliance Virtual Offices, the more likely your readers are to believe you love the company and will check it out for themselves!

Maximize your Alliance Virtual Offices audience reach

by promoting your site/blog content across multiple channels such as newsletters, social media, vlog, podcast, etc.
